

MICHIGAN FAMILY FUN & FESTIVAL

2018
GUIDE

Dear Friends,

As you make plans for the summer, I wanted to let you know about some of the fairs, festivals and farmers markets that offer great spots for family fun and entertainment.

This Family Fun and Festival newsletter provides a calendar of family-friendly events and attractions, both local and across the state, and a guide to area farmers markets. I hope you find it useful.

By spending your vacation and leisure dollars close to home, you help sustain many small businesses and local economies. And by buying local at farmers markets, you help support area growers and producers.

Enjoy your summer in our beautiful state.

Travel safely,

DALE W. ZORN
